CASE NO.

ORDER

The matter is before the Commission upon a motion filed by Kentucky Power Company ("Kentucky Power") on September 10, 2014, seeking to amend its August 14, 2014 Application a second time. In this Second Motion to Amend Application, Kentucky Power states that Exhibit 3 to the Application contained inaccurate data because certain inputs had not been updated to June 30, 2014. Kentucky Power requests that it be allowed to substitute Exhibit 3 with the corrected page that was attached to its motion. Kentucky Power further notes that the corrected page does not affect the calculation of the proposed demand-side management factor.

Having reviewed the Second Motion to Amend Application, and being otherwise sufficiently advised, the Commission finds that Kentucky Power has established good

cause to permit it to amend its Application by substituting the corrected Exhibit 3 to the Application.

IT IS THEREFORE ORDERED that Kentucky Power's Second Motion to Amend Application is granted and the corrected Exhibit 3 attached to Kentucky Power's motion is substituted for the original filed with the Application.

By the Commission
